

FEIG

A novel

by Richard D. Bank

FOR IMMEDIATE RELEASE

**From a prison cell at Terezin
to the Roundhouse in Philadelphia—*Feig* is
the compelling story of an Auschwitz survivor**

Philadelphia, PA (March 2014)—PS Books, the books division of *Philadelphia Stories*, is pleased to announce the publication of *Feig*, a new novel by Richard D. Bank.

David Gold has never done a daring thing in his life—until he meets Jacob Feig, a survivor of Auschwitz who stands accused of murder.

“In the end, *Feig* is really David Gold’s book. As he listens to the stories of survivors, he emerges from

his safe isolation—and his insistence that they share their hardest, deepest secrets leads to a deeper connection to the world.”

—Simone Zelitch, author of *Louisa* and Assistant Chair of Literature and Creative Writing, Community College of Philadelphia

“*Feig* is a powerfully prophetic work that is terrifying and heartbreaking ... The horror and the hatred of surviving the Holocaust bring readers into the deeper truths hidden in a world we would like to forget.”

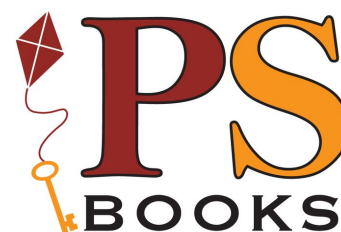

—D.L. Wilson, author of *Unholy Grail* and *Sirocco*

“Piercing the often forbidding subject of the Holocaust with grace, humanity, and compassion ... an engaging and beautifully written story of how one generation is inextricably linked to the next. His well-crafted plot and richly drawn characters imbue this tale with a sense of loss and possibility.”

—Ellie Slott Fisher, author of *Mom, There’s a Man in the Kitchen and He’s Wearing your Robe*, and *It’s Either Her or Me*

Richard D. Bank, Esq., is the author of six books, including *The Everything Guide to Writing Nonfiction* (Adams Media, 2010). He is on the faculty at Rosemont College in the Graduate Publishing and MFA in Creative Writing programs. *Feig* is his first novel.

Regional Publishing, National Voice
A division of Philadelphia Stories

[Philadelphia Stories](#) is a 501c3 that has served the writing, reading, and art community of the Greater Delaware Valley since 2004. The mission of *Philadelphia Stories* is to promote the culture of the Philadelphia area through building a community of writers, artists, and readers. We seek to fulfill this mission by publishing and distributing *Philadelphia Stories*, a free literary magazine, as well as *Philadelphia Stories Jr.* (a magazine devoted to publishing the writing and art of children from the Delaware Valley, ages 6 – 17), and by sponsoring affordable educational programs and events (including national poetry and fiction awards).
