

I Am Terezin

A Memoir

by Richard D. Bank

FOR IMMEDIATE RELEASE

A Concentration Camp Speaks—One Voice was My Grandfather

Havertown, PA (January 18, 2017)—Auctus Publishers released today the publication of *I am Terezin* by Richard D. Bank.

I Am Terezin is a memoir unlike any other. Situated in Czechoslovakia, Theresienstadt, or *Terezin*, as the locals called it, was touted by the Germans as a model city where Jews could live their lives in tranquility. Despite the sheer audacity of the claim, the world chose to believe this. In *I Am Terezin*, the collective voice of its 140,000 inmates reveals the true story of the camp imploring that we must look past all deceptive facades shrouding human suffering.

“Richard Bank has given Theresienstadt a voice, complete with a personality, a moral rudder, and a self-deprecation that is endearing. *I Am Terezin* is the first person memoir of a Nazi concentration camp, a bold literary effort to tell history by humanizing its narration. It is a remarkable, readable, and informative work that I recommend highly.

—Nathan Katz, Ph.D., Distinguished Professor, Emeritus,
and former Director of Jewish Studies at Florida
International University, Miami

“*I Am Terezin* is essential reading for anyone interested in the Nazi Holocaust. In so many respects it defies description and yet its mercurial story must be told so that we never forget man’s grotesque inhumanity to man. Out of the tear-soaked pages of this book lies a world still waiting to be redeemed...”

—Rabbi Robert S. Leib, Old York Road Temple-Beth Am

Richard D. Bank, Esq. is the author of eight books including *The Everything Judaism Book* and *Feig*, a novel. He currently teaches publishing law and writing courses at Temple University and Rosemont College.

I Am Terezin is a memoir unlike any other, written as a gripping narrative in the voice of the concentration camp itself.

Situated in Czechoslovakia, Theresienstadt, or Terezin, as the locals called it, was touted by the Germans as a model city where Jews could live their lives in tranquility. Despite the sheer audacity of the claim, the world chose to believe this and ignore the truth looming behind the granite walls encircling the fortress-town.

In *I Am Terezin*, the collective voice of its 140,000 inmates reveals the true story of the camp, imploring that we must look past all deceptive facades shrouding human suffering.

Richard Bank has given Theresienstadt a voice, complete with a personality, a moral rudder, and a self-deprecation that is endearing. *I Am Terezin* is the first person memoir of a Nazi concentration camp, a bold literary effort to tell history by humanizing its narration. It is a remarkable, readable, and informative work that I recommend highly.

*Nathan Katz, Ph.D., Distinguished Professor, Emeritus,
and former Director of Jewish Studies at Florida International University, Miami.*

An absorbing story about the unforgettable people of Terezin told with a novelist's skill.

Anne Kaier, author of Home with Henry: A Memoir

I Am Terezin is essential reading for anyone interested in the Nazi Holocaust. In so many respects it defies description and yet its mercurial story must be told so that we never forget man's grotesque inhumanity to man. Out of the tear-soaked pages of this book lies a world still waiting to be redeemed...
